

11 APR 1955

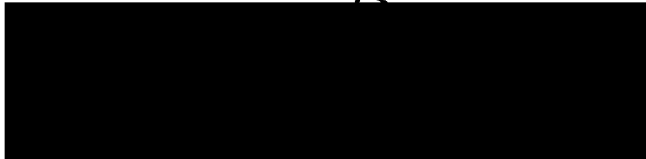

MEMORANDUM FOR: Legislative Counsel

SUBJECT: S. 817, To Provide Maternity Leave for
Government Employees

S. 340
1. Subject bill, which would provide for additional leave for maternity reasons for married female employees, is identical with S. 830 which was introduced in the 1st Session, 83rd Congress.

2. Referring to our file on the earlier bill, this Office recommended against Agency support of such a proposal by memorandum dated 13 August 1953. We have reviewed this position in view of the current situation and consider that our earlier conclusion is still appropriate, i.e., that present statutory authorities for sick and annual leave or leave without pay is adequate and that special legislation to provide an additional form of leave is neither necessary nor desirable.

MEMORANDUM FOR: General Counsel

SUBJECT: S. 340, To provide maternity leave for Government employees.

1. This Office has reviewed S. 340 which would provide additional leave for maternity reasons to married female employees. We do not recommend that the Agency support this proposal.

2. The Federal Personnel Council has made a special study of the practices of various agencies and a number of industrial concerns with respect to granting maternity leave. This office is in agreement with their conclusion that present statutory authority for sick leave, annual leave, or leave-without-pay is adequate for maternity cases, and that special legislation to provide an additional form of leave is not needed or desirable.
